User ID:

Continue

 Refresh

Enter Date of birth in mentioned format and click on E-mail New password.

Forgot My Password

User ID: BHM174144

Email ID: BHM174144@tjohngroup.com

Please answer the following question below for user validation.

Question: What is your Date of Birth (DDMMYYYY)?

Response:

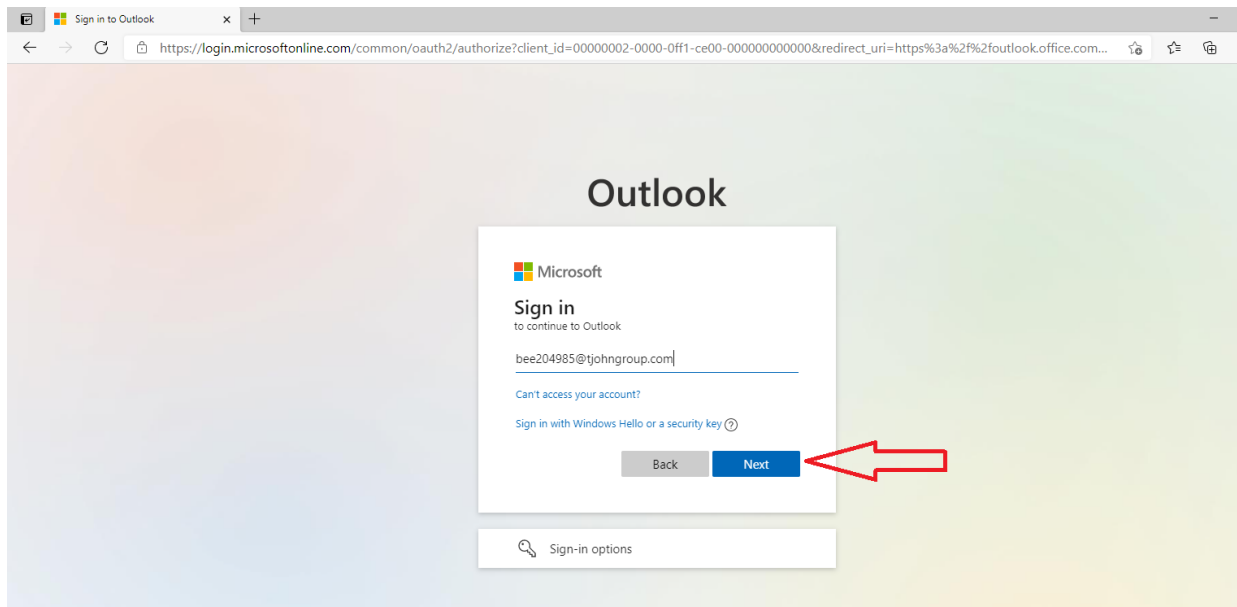

Email New Password

New password will be e-mailed to your college e-mail ID.

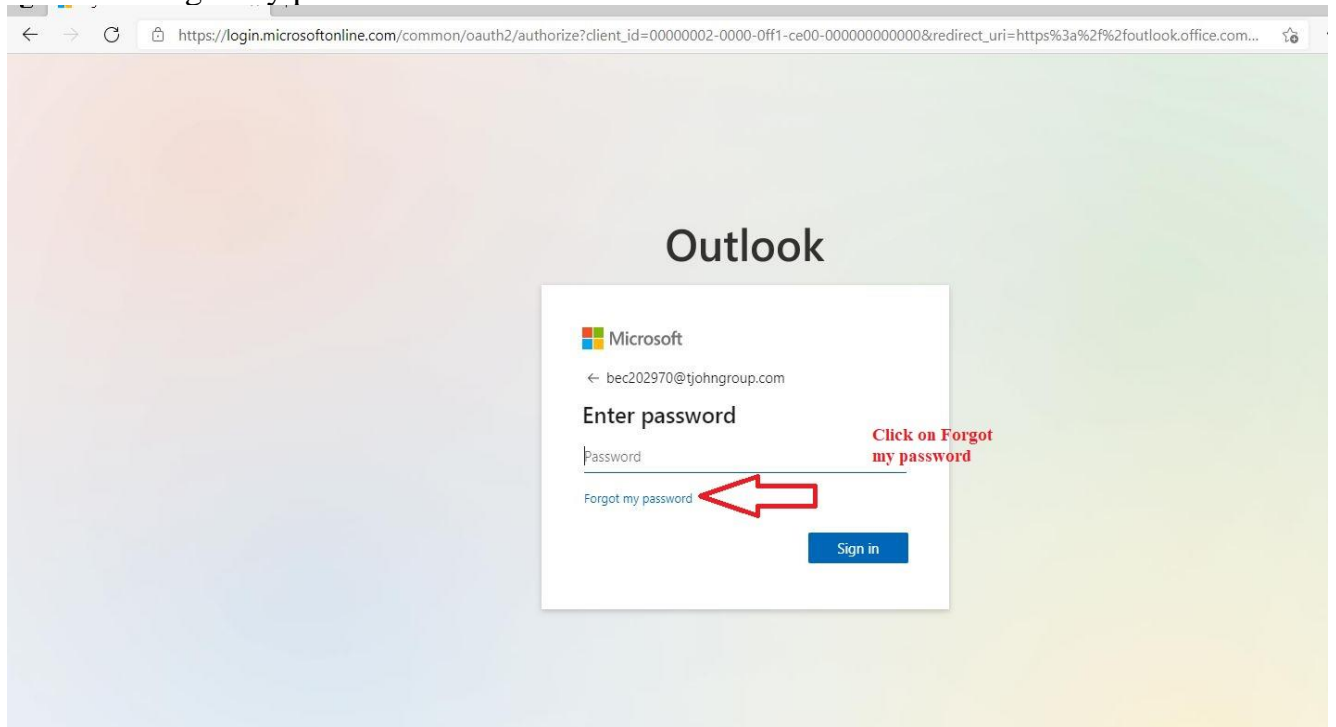

If you have forgotten your college e-mail ID password please follow the below steps.

Open website www.tjohncollege.com ----- Click on Student tab---- Click on College E-mail ID and enter college e-mail ID and click on NEXT (Generally college e-mail ID will be your college roll no @tjohngroup.com Example:BBA202987@tjohngroup.com).

After entering e-mail ID and password if system shows **“Your account is locked, contact your support person to unlock it, then try again”**. Then it means your e-mail ID is blocked for that you need to contact your Principal. Once your e-mail is unblocked you can login with same old password. If you forgot your password then follow below steps.

Click on Forgot my password

Enter characters displayed in the box and click on Next.

Microsoft has given 3 ways to reset your password, Select your choice for resetting your password.

Alternate e-mail ID/ mobile phone would have given by you initially when you have logged in first time for setting your e-mail ID. If you have not set your Alternate e-mail ID/Mobile phone then please contact your Principal for resetting your password.

Microsoft

Get back into your account

verification step 1 > choose a new password

Please choose the contact method we should use for verification:

Email my alternate email

Text my mobile phone

Call my mobile phone

You will receive an email containing a verification code at your alternate email address (aa*****@gmail.com).

Email

Cancel

If you choose Text my mobile phone follow the below steps (For above shown 3 ways Microsoft will give you the steps to follow).

Phone Number last 2 digits are given in that page based on that you can identify which phone number you have given initially with Microsoft.

Enter Phone Number and click on Text.

Microsoft

Get back into your account

verification step 1 > choose a new password

Please choose the contact method we should use for verification:

Text my mobile phone

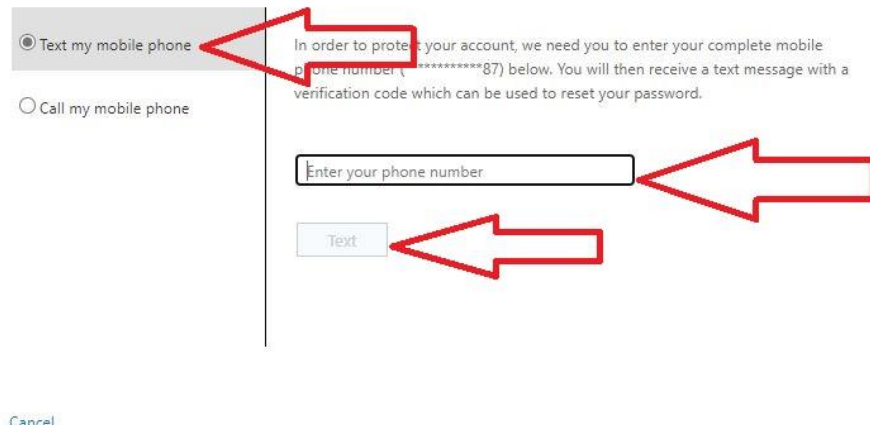

Call my mobile phone

In order to protect your account, we need you to enter your complete mobile phone number (*****87) below. You will then receive a text message with a verification code which can be used to reset your password.

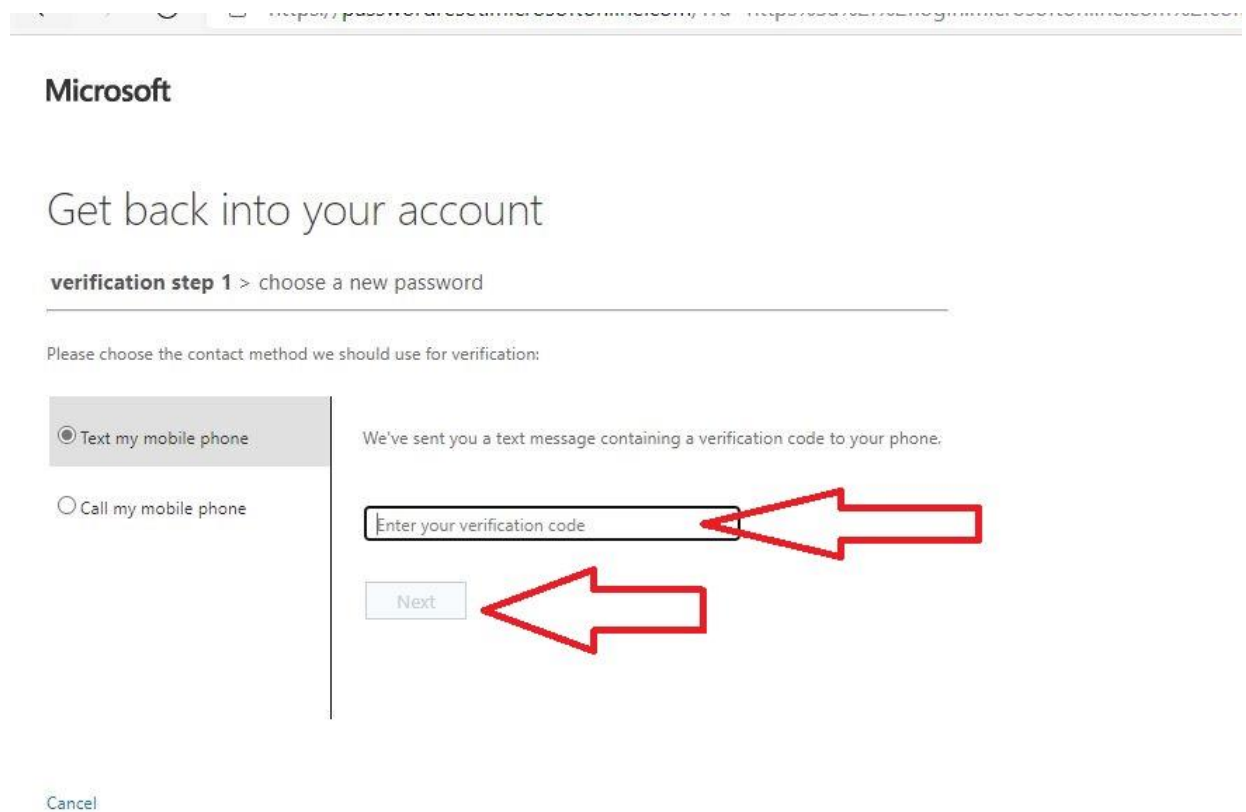

Enter your phone number

Text

Cancel

Enter the verification code received in that mobile number and click on Next.

Microsoft

Get back into your account

verification step 1 > choose a new password

Please choose the contact method we should use for verification:

Text my mobile phone

Call my mobile phone

We've sent you a text message containing a verification code to your phone:

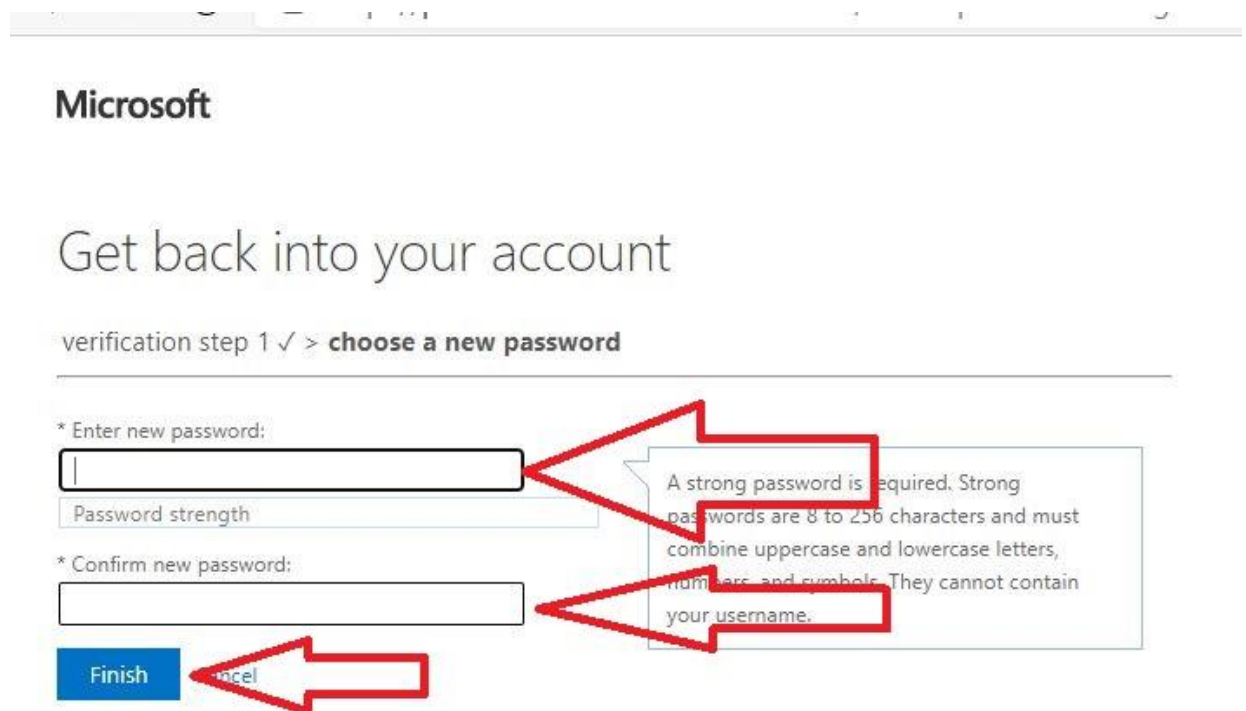

Enter your verification code

Next

Cancel

Note: Red arrows in the original image point to the verification code input field and the Next button.

Enter the new password in the two boxes and click on Finish.

Microsoft

Get back into your account

verification step 1 ✓ > **choose a new password**

* Enter new password:

Password strength

* Confirm new password:

Finish

Cancel

A strong password is required. Strong passwords are 8 to 256 characters and must combine uppercase and lowercase letters, numbers, and symbols. They cannot contain your username.

Note: Red arrows in the original image point to the password input fields and the Finish button.

Your password successfully reset, for signing in below to that there is a message as “click her” click on that and login to your E-mail ID.

Please note that, Alternate e-mail and phone number should have been set by the student in the first stage when he/she would have received their email id and password from the college. If not please contact your Principal.
